

**GARAGE Route**  
**Gateway Garage (XL)**  
**Blackford Garage (XF)**

Walk up and down the stairwells to see if birds have gotten inside. It is easiest to go up one, cross the roof, and go down another. Or go up and down the same stairwell if you want to get more steps!

This corner does not have a stairwell.

**Blackford Garage**

**Gateway Garage**

Please keep an eye on the skywalk between the Blackford Garage and SL. Follow it ONLY as far as Michigan Street. DO NOT venture into the roadway. If birds are found here, report them as Blackford Garage, Section 1 (and in the Notes portion of the data form, indicate that the bird was found by the Skywalk).
